WHY PURSUE A GRADUATE CERTIFICATE IN CRISIS MANAGEMENT AND BUSINESS CONTINUITY?
Crisis are any event that disrupt the normal process and require a change in behavior of the individuals and the organizations involved. These can be man made, imposed by nature, or be the consequence of accidents. They can be the result of negative happenings such as intentional bombing or the result of a positive event such as an unexpected demand for a company’s product that will require an immediate major addition to a complex supply chain to meet the delivery deadlines.

WHY STUDY CRISIS MANAGEMENT AND BUSINESS CONTINUITY AT NJIT?
The Graduate Certificate in Crisis Management and Business Continuity focuses on the business side of emergency management with emphasis on emergencies in organizations, their impact on individuals, and the information and communication systems that support emergency management. With one of the nation’s largest schools of computer science education, NJIT has been awarded the Center of Academic Excellence (CAE) in Information Assurance Education designation by the National Security Agency (NSA) and the Department of Homeland Security (DHS). In addition, NJIT has been designated as the leader of the New Jersey Homeland Security Technology Systems Center, advising state law enforcement agencies and private organizations on emergency preparedness and homeland security matters.

HOW DOES THE GRADUATE CERTIFICATE PROGRAM WORK?
In any given year, NJIT offers a new slate of Graduate Certificates, each in a specific area which is in a fast growing and employable profession. Each stand-alone credential is a milestone in its own right and can be a 12-credit springboard to a matching Masters Degree program at NJIT or elsewhere. The credential can be completed in as little as one academic year of part-time study. Many can be studied online, in whole or partially. The straightforward and rapid admissions process requires possession of an undergraduate degree with a satisfactory grade point average. A GRE or GMAT score is not a pre-requisite. Depending on the program, courses can be taken online, on campus, or at NJIT extension sites around New Jersey.
